

THE PETER MACGALLUM CANCER CENTRE - MELBOURNE AUSTRALIA

STUDENT OPEN DAYS

Prospective students are invited to attend one of our upcoming cancer research student open days:

- (i) Wednesday August 6 &
- (ii) Wednesday August 27 2003

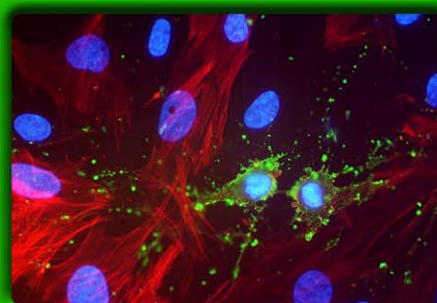

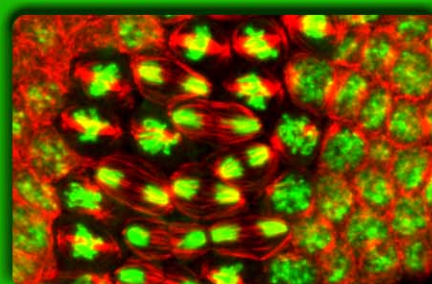

5:30 - 6:30 pm : General Information Session
6:30 - 7:30pm : Discuss a research project

Posters advertising research projects for **B.Sc. Honours, Ph.D. degrees and Advanced Medical Science** commencing in 2004 will be presented.

Wine and cheese will be served and project leaders will be available to discuss research projects.

Current students will lead tours of the research institute and answer questions about student life at Peter Mac. A list of available projects with brief descriptions will also be available on at:

www.petermac.org/research/students
